All league matches to be played as 4 singles games followed by 2 doubles games - all best of 3 frames. All matches to start 7.30pm prompt.

Separate results must be submitted by BOTH the winning and losing teams. This must be done as a clear picture of the result form sent by e-mail to **results@exeterpool.com by midnight on the Tuesday after the game**.

Failure to do so will result in a one game penalty, applied to the season "games won" total. This will not affect the result on the night. Teams will be warned on the first occasion and penalties applied from then onwards.

If, after **midnight Tuesday** following the match, the winning result has not been submitted electronically, then the losing team will be awarded that result as their win (by the same scoreline) **IF** they have correctly submitted their result.

If, after **midnight Tuesday** following the match, neither result has been correctly submitted, then **BOTH** teams will be subjected to the "unfulfilled fixtures" rule being applied.

Postponements are not allowed unless under exceptional circumstances. Any intended failure to fulfil a fixture is to be notified to the opposing captain as well as the Fixture Secretary as soon as possible and no later than two hours before a match. Failure to notify could result in sanctions. (see League Rule 12)
